BENTLEY

PRESENTING

YOUR BENTLEY 2023
CONTINENTAL GTC S V8

YOUR PAINT

St James Red (Pearlescent) - by Mulliner

St James Red, created to launch the Continental GT, became an instant classic with a sporting feel. This intricate Mulliner Paint enhances the exhilarating colour thanks to a rich pearlescent finish, which both reveals the vibrant tones of the red pigment and adds an iridescent sheen.

YOUR INTERIOR

Colour Split - S in Beluga and Cricket Ball

Hand-picked from herds that graze high above sea level in Northern Europe, all leather hides used to upholster the Continental are naturally free of the insect bites that could otherwise leave blemishes in the leather.

YOUR VENEER

High Gloss Carbon Fibre

High-gloss carbon fibre replaces the veneer panels to add a contemporary, technical and sporty feel to the interior. An optic resin process enhances the 3D appearance of the carbon fibre weave.

YOUR WHEELS

22" Ten Spoke Sports Wheel - Black Painted

For the ultimate moody look, the Ten Spoke Sports wheel in a fully black-painted finish.
