BENTLEY

PRESENTING

YOUR BENTLEY BENTAYGA S V8

YOUR PAINT

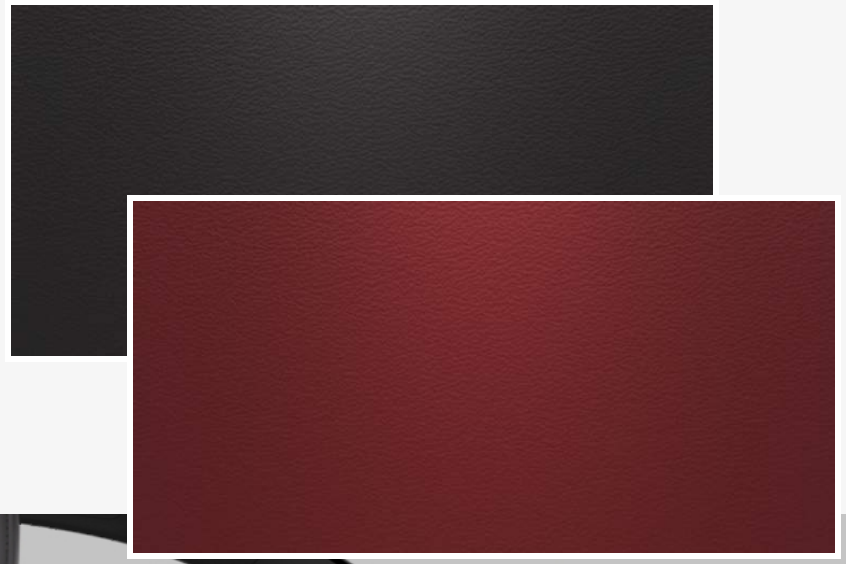
Candy Red - by Mulliner

A new sporting red with an incredible depth of colour. This hot red has a complex combination of ingredients that creates a molten almost liquid effect that looks like it has been poured over the body. A discerning twist on the traditional candy finish.

YOUR INTERIOR

Colour Split - S in Hotspur and Beluga

Hand-picked from herds that graze high above sea level in Northern Europe, all leather hides used to upholster the Bentayga are naturally free of the insect bites that could otherwise leave blemishes in the leather.



YOUR VENEER

Burr Walnut - by Mulliner

Burr Walnut completes its productive life at a grand 80 years. Walnut Burr is highly valued for its natural black colouring and intricate grain. In a rare and random natural occurrence, the characteristic burrs are formed as tiny branches grow in abundance near the root producing an exquisite effect.

YOUR WHEELS

22" S Directional Wheel - Black Painted

For the ultimate moody look, the Bentayga S wheel in a fully black-painted finish.
A bold, dynamic design that makes a real statement. The wheel is handed so that the scythes point in the same direction on both sides of the car.
